Hey Kids,

From cleaning to gardening, walking dogs and even raising some nice feathered friends, your pictures tell me that you've had a busy and successful summer! I love how they brighten up my fridge. As I mentioned the last time I wrote, I did some outdoor painting this summer and earned a nice amount. Kiwi, Sheldon and I also had a lemonade and cookie stand!

I don't know about you, but I love fall. The days are cooler, the leaves are colorful and we can celebrate International Credit Union Day too! This year we'll celebrate on October 21, 2021. You are a part of a 291 million credit union member movement in 118 countries around the world (get more stats on the back)!

Your Friend,

Pee Wee

Money Jokes

What is brown and has a head and a tail, but no legs?
A penny.

When does it rain money?
When there is "change" in the weather.

What did the duck say after he went shopping?
Put it on my bill.

Coloring Contest!

Want to win a cool prize? Draw a picture of your favorite free fall activity and send it to me by November 15th. You will be entered to win a cool prize. And who knows...maybe I will even put your picture on my fridge! Mail your picture to me at: Pee Wee Penguin, c/o MASC, 2005 N. Kavaney Dr., Ste 201, Bismarck, ND 58501. Be sure to include your name, age, and credit union!

THE CREDIT UNION DIFFERENCE

Your credit union is a different kind of financial institution. We'll celebrate that difference this fall on International Credit Union Day, October 21, 2021. Check with your credit union to see how they're celebrating!

Here are some facts about the history of credit unions:

- The credit union idea started as a simple idea of people pooling their money and making loans to each other.
- The first true credit unions were created in the 1850s in Germany.
- The idea spread to communities around the world. In the early 1900s, a credit union started in Canada and the idea soon spread to the United States.
- International Credit Union Day has been celebrated on the third Thursday of October since 1948. The day is recognized to reflect upon the credit union movement's history, promote its achievements, recognize hard work and share member experiences.
- You are now one of the 291 million credit union members in 118 countries!

MONEY TRAVELS

In honor of International Credit Union Day, let's talk about the different types of currencies used by different countries all around the world! Just like the United States uses the dollar, other countries have their own money that they use. See how many currencies you can match to the correct countries.

ANSWERS

Lira.....Turkey
Yen.....Japan
Dollar.....United States
