ACCOUNT DISCLOSURES									

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Christmas Club, Vacation Club, Money Market,

Business Money Market, Elite Money Market, and Business Elite Money Market accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Elite Money Market and Business Elite Money Market accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. For Christmas Club and Vacation Club accounts, each dividend rate will apply only to that portion of the account balance within each balance range. The Kasasa Saver and Kasasa Cash accounts are tiered rate accounts. Please refer to section 2 for additional details about these accounts.

2. KASASA ACCOUNTS — For all Kasasa accounts, you may qualify for monthly rewards if you meet the applicable minimum qualification requirements for each monthly qualification cycle. To meet the minimum qualification requirements, you must: 1) make 12 debit card purchases that post and settle your account; 2) have one ACH debit or credit post and settle your account; and 3) be enrolled in e-statements through online banking. The monthly qualification cycle is defined as a period beginning on the last business day of the prior calendar month and ending on the next-to-last business day of the calendar month in which dividends are paid.

Kasasa Saver. The Kasasa Saver account is a tiered rate account and is available only to holders of a Kasasa Cash or Kasasa Cash Back account. If you meet the minimum qualification requirements for your Kasasa Cash or Kasasa Cash Back account during the monthly qualification cycle, you will earn the first dividend rate and annual percentage yields listed for this account on balances of \$50,000.00 or less. You will also earn the second dividend rate and range of annual percentage yields listed for this account on balances over \$50,000.00. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle for the Kasasa Cash or Kasasa Cash Back account, the third dividend rate and annual percentage yield as listed in the Rate Schedule will apply to the entire balance in your Kasasa Saver account.

Kasasa Cash. The Kasasa Cash account is a tiered rate account. If you meet the minimum qualification requirements during the monthly qualification cycle, you will earn the first dividend rate and annual percentage yield listed in the Rate Schedule for this account on balances of \$10,000.00 or less and will earn the second dividend rate and range of annual percentage yields on balances over \$10,000.00. If you have a Kasasa Saver account, dividends earned on the Kasasa Cash account will automatically be transferred to your Kasasa Saver account; in that event, dividends will not compound in the Kasasa Cash account. If you do not have a Kasasa Saver account, dividends earned will remain in the Kasasa Cash account. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, the third dividend rate and annual percentage yield as listed in the Rate Schedule will apply to the entire balance in your Kasasa Cash account.

Kasasa Cash Back. For Kasasa Cash Back accounts, you will receive 4.00% cash back on up to \$200.00 in debit card purchases that post and settle to your account if you meet the minimum qualification requirements during the monthly qualification cycle.

3. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

4. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. 5. ACCRUAL OF DIVIDENDS — For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends.

6. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Primary Share account.
