Two Reasons to Consider Refinancing *by Bryan Walker*

Refinancing a mortgage is essentially paying off the remaining balance on an existing home loan and then taking out a new mortgage loan, often at a lower interest rate. It may sound like a no-

brainer, but there are many factors to consider before moving forward with a refinance.

Here are two reasons a refinance might be a good fit for you:

The first reason homeowners refinance their mortgage is to take advantage of a lower interest rate.
