Wire Transfer Scams

Beware of anyone you do not know who asks you to wire money. A very common scam involves someone sending you an official looking check with instructions to cash it and then wire a portion of it back to them. You are ultimately responsible if a check is returned.

This scam happens every month to trusting members! Don't let it happen to you.

Ask any member of the staff at Highmark FCU before you wire money to anyone you do not know. **Once money is wired, it cannot be retrieved.**
